## LA CONSULTA SELECT:

### Stunning Argentine Red Blend

- Wine Spectator rated the Altocedro La Consulta Select '11 **90 points**, and said: "This dense red mixes jammy raspberry ganache and black cherry fruit with racy acidity, as layers of cedar, red licorice and iron play out on the fruit-filled finish."
- Stephen Tanzer rated the '12 **90 points**; James Suckling rated the '13 **90 points**; Wine Advocate rated the '14 **90 points**.
- Traditionally, Argentine wines were all blends. By blending different grapes, one can create a more complex and interesting wine. The La Consulta Select is 42% Malbec, 27% Cabernet Sauvignon, 22% Tempranillo and 9% Syrah.

The winery and vineyards of Altocedro are located in the premier region of La Consulta, Valle de Uco, Mendoza. Winemaker and owner Karim Mussi Saffie uses sustainable growing practices to produce limited amounts of terroir-driven wines. The vines range up to 100 years of age. All harvesting, sorting, and crushing are done in individual batches by hand. Fermentation occurs either in small cement tanks or in barrels, and the extract is done with a gravity flow system developed at the winery over 100 years ago. Altocedro has become synonymous with outstanding La Consulta wine.
