When approaching a crooked path one must decide if it is a road worth taking. This Crooked Path finds itself meandering down rows of Grenache, Syrah and Mourvedre creating a lush and full-bodied red wine with layers of balanced flavors.

You’ll first notice a deep ruby red color, followed by jammy aromas with richness and intensity. Along the way you will discover bold and well balanced ripe fruit ending with a long and smooth finish. We hope you enjoy the journey.
