When approaching a crooked path one must decide if it is a road worth taking. Our path begins and ends in the historic California wine region of Paso Robles where the warm days and cool evenings are perfectly suited to producing exceptional Zinfandel fruit.

You’ll first notice a deep ruby red color, followed by ripe berry aromas and a rich depth of flavor. Along the way you will discover hints of cedar and elegant notes of spicy black cherry which ends with a smooth balanced finish. We hope you enjoy the journey.
