Robert Parker's Wine Advocate rated the '06 Gran Reserva 94 points, and the '07 Gran Reserva 93+ points, commenting:

"The 2007 Malbec Gran Reserva was sourced from a single 82-year-old estate vineyard that spent 16 months in new French oak. It is a denser, richer, more structured version of the Reserva that will benefit from another 4-5 years of cellaring and will provide prime drinking from 2015 to 2022."
