AGRELO - ARGENTINA

Mendoza skies, on the west of Argentina, are deep blue, clean and clear. Here our vineyards grow and develop at 900 m.a.s.l. under that blue spotless sky. The bright sunny days and the cool summer nights help our grapes acquire a unique concentration of aromas and colors that will take you to an unforgettable tasting experience.

IT HAS NEITHER BEEN COLD STABILIZED, FILTERED NOR FINED TO ENSURE THE AROMATIC INTEGRITY. AS A RESULT THE WINE WILL SHOW DEPOSITS AFTER CELLARING TIME. WE RECOMMEND DECANTING.
