

Valle de Uco, Mendoza Pepe Galante's First Family Project!

Jose “Pepe” Galante is widely considered the most important winemaker in Argentina's history. Chief winemaker at Catena Zapata from 1976 until 2010, Pepe showed the world that Argentina could make world-class wines. Puramun is Pepe's first-ever personal project owned by his family.

Puramun means “harvest” and "search" in Mendoza's indigenous Mapuche language. Each Puramun is a new challenge. A time for searching and finding. Nothing is the same, everything changes: the climate, the soil, the grapes, and even ourselves. Year after year we trek a new road, a labyrinth of grapevines that express through their precious fruit our devotion to the Valle de Uco terroir. Each Puramun bottle is the result of this passionate and endless search.

Puramun Co-Fermented

67% Malbec and 33% Petit Verdot hand-picked together and co-fermented as a single lot, with 12 months in French oak barrels. The Petite Verdot adds personality and firmness to the Malbec, which together created a serious wine with flavors of blue and dark fruits and a hint of minerality. Decanting recommended to open all the complex layers this wine has to offer.

Average Age of Vines: 12 years

Average Vineyard Altitude: 4,300 feet

Harvest Method: Hand-harvested

Malolactic Fermentation: 100%

Aging: 12 months in 50% new and 50% second use French oak barrels
