

ZOLO Petit Verdot

Zolo is one of the most technologically advanced wineries in Argentina. Zolo selects grapes from estate vineyards in Agrelo and Alto Agrelo, Luján de Cuyo, Mendoza. Located at various altitudes, each of these terroirs provides a different expression of fruit and varietal concentration. The winemakers are Fabian Valenzuela and Jean Claude Berrouet (former Chateau Petrus winemaker).

100 % Petit Verdot.

REGION: Alto Agrelo, Mendoza.

VINEYARDS: The Petit Verdot Grapes are carefully selected from our vineyards located in Alto Agrelo at 1050 meters above sea level (3,444 feet).

AGING: Aged for 18 months in French oak barrels.

TASTING NOTES: Intense deep red color with violet hues. The nose is intense, with aromas of black fruits as blackberry, black currant and blueberry accompanied by spicy notes like clove. Delicate vanilla scent. Good structure, firm tannins, with a lingering and elegant finish.

Petit Verdot is a variety of red wine grape, principally used in classic Bordeaux blends. Petit Verdot adds tannin, colour and flavour, in small amounts, to the blend. Petit verdot has attracted attention among winemakers in the New World, where it ripens more reliably and has been made into single varietal wine. It is also useful in 'stiffening' the mid palate of Cabernet Sauvignon blends. On its own, Petit Verdot can make a very dark, full bodied wine with many different flavors of fruits and earthy components. When young its aromas have been likened to banana and pencil shavings. Strong tones of violet and leather develop as it matures.
