CABERNET SAUVIGNON 2019

VINTAGE NOTES

WINERY INFORMATION: The heart of our winery is located in picturesque Paso Robles. With established roots in the wine industry through Sunridge Nurseries, proprietors Craig and Nancy Stoller began with a vision of planting wine grapes to grow the nursery. Our estate RBZ Vineyard, located in the heart of the El Pomar District of the Paso Robles AVA, was developed with Sunridge Nurseries in 2001 and is a certified nursery block. With large diurnal temperature swings and soils like those found in much of France, grapes planted here fully ripen with balanced sugar and natural acidity.

LABEL NOTES: When you come across a crooked path you must decide if it is a road worth taking. Our path begins and ends in the historic California wine region of Paso Robles where the warm days and cool evenings are perfectly suited to producing exceptional fruit. We hope you enjoy the journey.

WINEMAKING: Handpicked means that we're only selecting fruit at its optimal ripeness to ensure we're making the best quality wines. Picking by hand also eliminates the extra vineyard debris that can find its way into our fermenters and contribute their own undesirable aroma and flavor characteristics.

FERMENTATION: Fermentation tanks keep their regulated temperature using cooling jackets. This allows us to maintain specific maximum temperatures across the different varieties and allows maximum extraction over a course of a controlled time frame. Each lot requires daily punch downs or pump overs for cap management and tanks are evaluated daily for a decision on when it's time to separate the wine from the skins.

COLOR: Rich Purple

TASTING NOTES: The 2019 vintage is a stunning expression of Paso Robles Cabernet Sauvignon, with alluring aromas of fresh herbs and bright red fruits. On the palate, flavors of plums, black cherries, and cranberries glide across silky tannins, with bright, balanced acidity contributing to a long, focused finish. Best paired with a red meat entree, but can also go well with vegetarian meals such as portobello mushrooms and hard cheeses.
