ALTOCEDRO

AÑO CERO

This wine is the product of our passion for creating the best possible wines from one of the greatest grape growing regions in the world for Malbec and that has also produced some of the highest quality Argentinean Cabernet Sauvignon: La Consulta in Mendoza's Valle de Uco. The grapes were carefully picked from selected vines (15 years old), fermented in small concrete tanks and 30% aged 8 to 10 months in French oak barrels to obtain a balanced concentration of color, aromas and fruit flavors.
