ALTOCEDRO

AÑO CERO

This wine is the product of our passion for creating the best wines possible from one of the greatest grape growing regions in the world for Malbec and that has also produced some of the highest quality Argentinian Tempranillos: La Consulta in Mendoza's Valle de Uco. The grapes were carefully selected from old vines (15-49 years old), fermented in small concrete tanks and 30% aged 8 months in American oak barrels to obtain a balanced concentration of color, aromas and fruit flavors. KARIM MUSSI SAFFIE: Head winemaker and proprietor.
