Las CARTAS

SAUVIGNON BLANC 2023

VINTAGE NOTES

WINERY INFORMATION: Las Cartas Wines is an exclusive project from Vino del Sol and Ventisquero Wine Estates. It is an invitation to connect, to celebrate, and to gather with our people. No matter the place, the region, or the country there is still the need to connect with the wine, to talk about them, to laugh, to remember why we are here to enjoy life.

LABEL NOTES: Las Cartas means “the letters” in Spanish and is a tribute to all who used to connect and express their feelings through letters and they want to keep this practice alive.

WINEMAKING: The must was protected from contact with the air throughout the process, which began with a cold maceration for 12-14 hours to increase the contact between the juice and the skins of the grapes. Next came a slow fermentation at a constant temperature of between 12°C and 15°C, which enabled the fruit and mineral aromas typical of the variety to be drawn out. After fermentation, the wine was aged over its lees for four months, and battonage was used to gently move it so as to increase the volume and complexity in the mouth. This wine did not undergo oak-aging, so as to intensify the fruity characteristics typical of this variety.

COLOR: Pale Green

TASTING NOTES: This wine has a fresh and expressive nose in which citrus and tropical fruit aromas, such as lime, grapefruit, pineapple, and pear, intermingle with gentle mineral and herbal notes. Fresh, with vibrant acidity, this wine retains the freshness characteristic of Sauvignon Blanc. Citrus fruits are again apparent in the mouth, followed by a mineral finish, which contributes to complexity.
