RED SOIL SELECT

Real winemakers get their hands dirty. Hands black with wine. That's what Manos Negras is all about. Rolling up our sleeves and getting our hands dirty. That's how we make these hand crafted wines.

Añelo, Neuquen is home to Patagonia's most unique soil profile. Bright red, iron rich soils are evident throughout the vineyards. In some areas of each vineyard, the soil takes on a deep, rich red color – indicating a higher concentration of iron and minerals. Vine roots reach deep into these dark red soil patches, lending layers of earthy tones and stony minerality.
