

# PURAMUN

Valle de Uco, Mendoza

## Pepe Galante's First Family Project!

Jose “Pepe” Galante is widely considered the most important winemaker in Argentina's history. Chief winemaker at Catena Zapata from 1976 until 2010, Pepe showed the world that Argentina could make world-class wines. Puramun is Pepe's first-ever personal project owned by his family.

Puramun means both “harvest” and “search” in Mendoza's indigenous Mapuche language. Each *Puramun* is a new challenge. A time for searching and finding. Nothing is the same, everything changes: the climate, the soil, the grapes, and even ourselves. Year after year we trek a new road, a labyrinth of grapevines that express through their precious fruit our devotion to the Valle de Uco terroir. Each Puramun bottle is the result of this passionate and endless search.

### Puramun Chardonnay Reserva

“Very few Argentinean winemakers are capable of making Chardonnays like this, but Pepe Galante is one of them... it's a focused, aromatic, chalky delight that wouldn't look out of place in a line up of Premier Cru Burgundies. Leesy, subtle and very long.”

### Puramun Malbec Reserva

**92+ points ('15), Wine Advocate; 92 points ('14), Wine Enthusiast; 92 pts ('14), Wine Advocate:**

“Potent, inky aromas of blackberry and licorice reflect this beefy Malbec's opaque black color. In the mouth, this is energetic and not just heavy and extracted. Lightly salted black-fruit flavors are lifted by acidity, while this finishes deep and strong.”

### Puramun Co-Fermented

**5-STARs ('14), Restaurant Wine;  
A “Top Wine” of Argentina ('13), Wine Spectator;  
92 points ('13), Wine Advocate;**

67% Malbec and 33% Petit Verdot hand-picked together and co-fermented as a single lot, with 12 months in French oak barrels. The Petite Verdot added personality and firmness to the Malbec, which together created a serious wine with flavors of blue and dark fruits. **Only 2,000 bottles.**
