

Vino del Sol: The Argentine Leader!

Vino del Sol, the Argentine Wine Specialist[®], is proud to have received 23 90+ reviews in Robert Parker's 2011 Wine Advocate Argentine article. Vino del Sol not only broke its 2010 record (19 90+s), but did so by doing something its competitors do not: promoting Argentina's very distinct *terroirs*. At Vino del Sol, it's not just Mendoza: it's Rio Negro, Patagonia (Verum); it's Cafayate, Salta (Camino del Inca); it's La Consulta (Altocedro); and many more.

One more affirmation that Vino del Sol truly brings you "The Best of Argentina[®]."
